DNO Produce Supplier Approval Program FAQs

Q: Why am I being asked to sign up for this program?

A: Participation in the Supplier Approval Program helps demonstrate our suppliers' commitment to the growing demand for data and real-time information in the produce industry, and their commitment as a food safety partner with DNO Produce. We also hope that this program will make it more efficient for our suppliers to maintain compliance requirements.

Q: How do I sign up?

A: Visit our [program enrollment page](#) and click the **ENROLL NOW** button. From there, you can enroll in the program and sign the SaaS agreement. There is also an option to talk with iFoodDS about more robust solutions that will help manage your internal food safety processes.

Q: Is this program mandatory?

A: Yes, this program is mandatory for all our suppliers. Contact Deadra Barnett at dbarnett@dnoproduce.com or 614-231-3601 x 111 or Phil DiNovo at Pdinovo@dnoproduce.com 614-231-3601 ext132 if you have further questions or concerns.

Q: How long do I need to participate in this program?

A: To continue as a DNO Produce-approved supplier, your ongoing participation in this program is required.

Q: How does this program work?

A: The online portal, supported by iFoodDS, will be essential for suppliers to maintain an approved supplier status with DNO Produce. All suppliers should submit their required documents through iFoodDS to ensure that DNO Produce receives, reviews, and maintains proper authorization in a timely manner. Submission through the portal will ensure the DNO Produce procurement team can place orders without delays for compliance checks.

Q: How much will this program cost?

A: There is a one-time enrollment fee of \$259 plus a subscription cost of \$259, which is billed annually. All fees are in US dollars.

Q: When will my next payment be due, and how will I be billed?

A: iFoodDS will email you with an invoice for the program renewal fees one year after your account has been activated and you have received your credentials.

Q: What documents will I be required to upload?

A: Refer to our [document matrix](#) for a list of required documents.

Technical and Application-Related FAQs

Q: What do I need to provide?

A: To get started, you will be asked to provide the following information via a sign-up form:

- Company name
- First and last name, email address, and phone number of your company's point of contact
- Billing information
- Supplier locations (DNO Produce only)
- Names and email addresses of all users by location who will be uploading documents or receiving alerts for expiring documents.

Q: How quickly can I get started?

A: Once you complete the online enrollment process and fill out the supplier information form, your account will be set up within 2 business days. You will get an email confirmation with login credentials, a user guide, and access to an on-demand webinar showing you how to upload documents.

Q. How do I install the supplier management system?

A: This solution is web-based, so you can log in from any computer that is connected to the internet. There is no installation required.

Q: Where is my data stored?

A: The data is securely stored in the iFoodDS Cloud Services. Only users at your company with login credentials and DNO Produce will be able to access your documents.

Q: Who is my data shared with?

A: Your data will only be shared with DNO Produce. It will not be shared with other customers unless specifically requested in writing. Neither iFoodDS nor DNO Produce owns your data. You still own your data.

Q: What are the system requirements for the supplier management program?

A: Documents must be uploaded using a desktop computer. Documents are viewable on both desktop and mobile devices.

You can access the program on a PC or Mac using Google Chrome, Firefox, Microsoft Edge, or Safari web browsers.
